Since she was 12 years old, Cindy Spevere has wanted to share her love of signing. Having a strong desire to teach others to worship in song, Cindy has found a way to combine the beauty of Sign Language and worship music. Cindy is not an Interpreter or an Entertainer but a Minister of the Gospel of Jesus Christ through song using English Sign Language. She has taught sign language used in dance and special music for churches and special events.

I've often made up hand motions as I sang worship songs. This book formalizes some of what my hands longed to add to the singing of my praise to God. This introductory book to worship signing is just right for me. It has b/w photos of the ASL alphabet and the signs for the words of simple praise songs. I knew only 4 of the 10 songs: Glorify Thy Name; Jesus, Name Above All Names; Breathe; and I Love You, Lord. But many common words found in praise songs are shown and described in

this book. Note that the CD with the songs is not included when ordering through .

I wasn't really happy with the book, "Signing for Worship", I was looking for New Signs and it didn't have many of the Signs that I use.

This is some of the finest 'curriculum' I now have as I study ASL. Very clearly described, the ASL movements. This is a must-have, for anyone seriously attempting to communicate and worship with, the ASL community.

This is an very interesting.I'm still learning this book. It's very different kind of worship and learn a new way.

It's good my wife's happy

Awesome

I was happy with all the words that are signed. Thank you for printing this book!

I got the book but not the DVD. Hard to use without the music.
