Michigan Criminal Law and Procedures textbook

I'm not really sure because I haven't even opened it yet, but I'm certain it will be just fine! Thanks.

This book assist you in your school and everyday life if you in law enforcement or taking criminal justice courses.

good useful info

It was a great deal as well as the book. The seller was great and did everything as described

Very resourceful.

Pretty amazing edition. After reading it through cover to cover, I received superpowers and am now able to channel Matlock and Judge Judy for legal advice. The organization of the book is clear and I especially appreciate the shadowed boxes that cite legal cases to demonstrate the finer points of the law. Appreciate the spiral binding. Makes it easy to use as a reference.
