Customer Reviews

I'll repeat what the first reviewer said 8 months ago. The particular copy I received, like his, contained duplicated and missing pages. Someone needs to pull the entire inventory and get corrected copies from the publisher. This item should not still be for sale as long as flawed copies are being shipped to customers.

I have bought 2 copies of this music in the past two weeks from - pages are missing entirely, some are duplicated and Golliwogg's Cakewalk is not in there in full. There is obviously a printing issue with

this batch of books. No issues returning it, but I'll try to find this elsewhere as I expect another one will have the same problems.
