Ruined (The Seraphim Series Book 1)

Synopsis

For centuries, Azrael's sole purpose was to find her and kill her. And now he has her, just down the hall to be exact! So beautiful and fragile, she is so close he can almost hear her precious blood pumping through her veins. Blood he has been hunting for since the day he fell. His mind is screaming, "Kill her. Stick to the plan, drain her blood, and ascend to Heaven." But every fibre of his soul refuses to harm her. If he won't kill her, what will he do with the beautiful Lilliah Daniels? He smirks. He might be an Angel, but he's never claimed to be a saint.

Customer Reviews

I loved this book and can't wait for the next one to follow on. It was not what I thought it would be like and it had vampires and werewolves in it which is not a genre I would usually lean towards but in this one it blended in nicely with the story line. The author kept me turning the pages to see what would happen next. I was not disappointed

I like the story this book is telling, but it keeps jumping all over the place so I keep having to go back

to see who is talking and what is going on. There are so many times when it jumps to another scene and I am so confused as to what is happening. I am excited to read the next book to see how the story unfolds but I hope it's easier to follow along this time around.

I know there are several misspelled words and some grammar issues, but this didn't stop me from loving the book. The story is refreshing and I am looking forward to Is this the cover for "RUTHLESS- THE SERAPHIM SERIES BOOK 2 "

Love this book and the series. Lots of action plus great love story. Likable characters and good character development. 5 stars!

This is a good story but I kept feeling like I had read it before, who knows might have. Worth your time.

This reads like it was written by someone in grade school. Poor character development. No chemistry between characters. No complex thought. Just conversation and no description of their thought processes. Waste of \$.

Am impatiently waiting for the next one.

I love the supernatural fallen angel series, and this one was pretty freaking awesome. Can't wait to read book two!
