Customer Reviews

Joel Ankney's book is essential for the entrepreneur seeking advice in starting up a new business. It is precisely detailed and had great tips for my son-in-law regarding his small business venture.

We used this book to gain valuable information, even though we are the seller of a business.

"Here's The Deal" helped walk us through what is to be expected of both parties, from start to finish.

It is broken down in easy to understand language and is a quick, but very detailed, book of reference.
