Customer Reviews

This is my second year using Moleskine's pocket calendar and I don't know how I managed without it! It fits neatly in my purse and because it has a hard cover, it doesn't get crumpled. I have a smart phone calendar but sometimes it's easier to look at a hard copy of my appointments and meetings and also to add or change them. There is a convenient pocket on the back cover for storing receipts or small notes. I highly recommend this!

I cannot live without this product. I faithfully buy one every year. The Little Prince theme just makes a must-have office item all the more fun for me. Last year there was a bit of a controversy over some of the Moleskine daily planners not being a page a day. I can confirm that this one is, which is precisely what I need.

Love it! Very well made and decently priced. I carry it with me wherever I go so I can keep track of everything. I use this planner more than my phone calendar!

Quality is moleskin...so it's good But it is too small for me personally

As a The Little Prince fan, I pick up one of these journals every year so I can remind myself each day to be grateful for my friends and family.

Nice and natural.

Third year of using Moleskine planners to keep a daily record of "What I Learned Today." This planner is particularly darling.

the size is a bit too small for me to write
